Careers with a future – for women!

Technology needs you. Get involved.

Electronics Technician

Fridge broken? That's no problem for an electronics technician. She is an expert in technology and knows all about electrical appliances. Her job is exciting and varied. Electronics technicians for industrial engineering help to ensure that technical devices work properly.

As an electronics technician, you have great job opportunities and a secure future. Whether you prefer to work in a team or independently –

both are possible and offer you the perfect mix of variety and challenges.

An Erasmus+ Project

by BBS Osterholz-Scharmbeck; by Höheren Technischen Bundeslehranstalt Steyr; by des Lycée polyvalent et UFA Émile Mathis, Schiltigheim

Co-funded by
