

Careers with a future – for women!

Technology needs you. Get involved.

JOINER

Young Women in

T

Technic

How would you like to sleep in a bed you built yourself? No problem for a joiner. You will learn to work with wood, a fantastic material, in a future-proof and varied profession, and to use state-of-the-art machinery.

I

Informatic

As a joiner, you have great job opportunities and a secure future. Whether you prefer to work in a team or independently – both are possible and offer you the perfect mix of variety and challenges.
